Biography

Singer, model, actress TreLee is a delightful and soulful act that you won't want to miss. With raw vocal talent and appeal that can easily attract fans of hit artists like Beyonce and Mary J, TreLee is the singer you'd love to see next in the R&B limelight.

TreLee currently resides in Phoenix, Arizona, where she is very active in the music scene. She has been honing her skills since the mere age of 12, with early performances including churches and local talent shows. At only 17, she recorded her first original song with her group, FLAVA. TreLee's major accomplishments include the Las Vegas Regional Music Awards Female Independent Artist of the Year and two-time nominee for the Raw Phoenix Independent Artist of the Year.

Standout tracks from this project include "Plentyfull" and "Walk Away (Waiting)". Her current single "Lay With Me" is a smooth, sexy slow jam that showcases her sweet and sensual vocal tone, and is currently available on iTunes.

TreLee has also embarked on acting. She is currently starring as the lead role in the stage play, "You Can't Keep a Good Woman Down" and a role as herself in soon to be release independent film, "Spoken Word".
